2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

My water and sewer rates are already the highest I have experienced in the 5 states in which I have lived. With the proposed rate increase, my water and sewer bill will be larger than my Duke power bill, which seems like gouging to me.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*
